Title: Scaleable message system

5

DECLARATION OF CARL OPPEDAHL

1. I hereby declare that all statements made herein of my own knowledge are true and that all
10 statements made on information and belief are believed to be true; and further that these
statements were made with the knowledge that willful false statements and the like are
punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States
Code and that such willful false statements may jeopardize the validity of the application or any
patent issued thereon.
- 15 2. On information and belief, the inventor herein, Mr. Paul Giotta, is deceased and is unable to
assist in any way in the prosecution of this application. In particular, Mr. Giotta is unable to
sign any papers relating to his date of invention or relating to the geographic location of his
inventive activities herein.
- 20 3. On information and belief, prior to his death, and at all times pertinent hereto, the inventor
herein, Paul Giotta, resided in Winterthur, Switzerland.
- 25 4. On information and belief, prior to his death, and at all times pertinent hereto, the inventor
herein, Paul Giotta, made his invention pursuant to his employment with Softwired AG, at
Technoparkstrasse 1, post code CH-8005, Zurich, Switzerland.
5. On information and belief, prior to his death, the inventor herein, Paul Giotta, assigned his
rights to the above-mentioned Softwired AG, on or about February 19, 2001.
- 30 6. Dr. Peter Walser, the patent attorney who drafted the present patent application, and who is the
signer of the Declaration which was dated September 30, 2005, and which Declaration was filed
in this application on October 2, 2005, has at all times pertinent hereto maintained his patent
attorney office in Switzerland.

7. On information and belief, all of the activities set forth in the seventy-five-page filing under 37 CFR § 1.131 filed on October 2, 2005 took place either in the United States or in Switzerland.

5 Signed,

/s/

10 Carl Oppedahl
